Sir:

The Regents of the University of California certifies that they are the owner of the entire right, title, and interest in the patent application identified above by virtue of an assignment from the inventors to the Regents of the University of California recorded in Application No. 07/497,098 in the U.S. Patent and Trademark Office at Reel/Frame 5515/0460, on December 3, 1990, and by virtue of an assignment from the inventors to the Regents of the University of California recorded in Application No. 07/537,305 in the U.S. Patent and Trademark Office at Reel/Frame 5650/0655, on April 1, 1991.

The evidentiary documents accompanying or referred to in Reel/Frame 5515/0460, and Reel/Frame 5650/0655 above have been reviewed by the undersigned, who is empowered to act on behalf of the assignee, and it is certified that to the best of the undersigned's knowledge and belief, title is in the above-identified assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and

P27861.A03

further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or of any patent issuing thereon.
